Subject: Sensitization of Students for NAAC Students Satisfaction Survey

Sir/Madam,

As part of our ongoing efforts to ensure a successful NAAC accreditation process, we have received the lists of students from your respective departments who will be participating in the NAAC Students Satisfaction Survey. We appreciate your cooperation in this matter. To ensure that our students are well-prepared and understand the significance of the survey, we request you to sensitize these students at the departmental level. The sensitization process is crucial as the survey results will significantly impact our accreditation outcome.

In addition, we are organizing a joint sensitization event after 15th August 2024, details of which will be communicated shortly. We believe that this event will provide an excellent opportunity for students to gain a comprehensive understanding of the survey and its importance. We kindly request your support in this initiative by encouraging your students to actively participate in both the departmental and joint sensitization sessions. Your efforts in this regard will be instrumental in ensuring that our students are well-informed and prepared for the survey.

Thank you for your cooperation.

Yours sincerely,

Prof. Shamim Ahmed Shah
Dean Students Welfare
