Joint PhD Program

UQ-IITD Research Academy

The University of Queensland (UQ), a top 50 global university, and the Indian Institute of Technology Delhi (IITD), an Institute of Eminence in India, have joined forces to create a joint PhD program that will support PhD scholars to deliver global impact.

Join the Academy

We are seeking applications from exceptional candidates with backgrounds in science, technology, engineering, health, business, humanities and social sciences, for projects commencing in January 2025.

Find out more

Interested applicants are encouraged to register for a webinar from **10:30-11:30am (IST) / 3-4pm (AEST) Friday 13 September or Wednesday 25 September** to find out more about the program and application process. Register online uqiitd.org/events

Apply

All applicants must complete an online Expression of Interest (EOI) between **5 September - 3 October 2024.** To submit an EOI visit uqiitd.org/apply

Through the UQ-IITD Research Academy joint PhD program, you can receive a scholarship to study at two world-leading, research-intensive institutions on multidisciplinary projects.

By participating in the program you will gain:

- ✓ access to world-class **facilities and resources** and exposure to global research ecosystem, network and environment.

- ✓ global expertise via **dual supervision** between UQ and IITD as well as possible industry.

- ✓ a generous **scholarship** and **additional project development award support**.

- ✓ upon successful completion of the program, you will be awarded a **joint Doctor of Philosophy (PhD)** degree from both UQ and IITD.
