Vice-Chancellor

Subject: Invitation for participation in AgriThon - 2024 at SKUAST-Jammu.

Dear Prof. Nilofer Khan

Greetings!

I am immensely pleased to inform that Sher-e-Kashmir University of Agricultural Sciences & Technology of Jammu is organizing the **AgriThon-2024** on "**Precision and Economical Farming**".

The AgriThon-2024 aims to bring together bright minds of higher education institutions in UTs of J&K and Ladakh to collaborate, innovate, and devise technological solutions to address challenges in the agricultural sector. The **AgriThon - 2024 invites solutions to the problem statements based on four themes namely; (I) Innovations in Livestock, Dairying, Poultry & Fish Farming; (II) Innovations in Crop and Horticulture Farming; (III) Innovations in Farm Mechanization, Digital Agriculture & Automation, and (IV) Innovations in Post-harvest, Value addition, Supply chain & Logistics.**

By participating in the Agri Hackathon, the students and faculty of your university will have the opportunity to:

1. Collaborate with students, researchers, and industry experts in developing innovative solutions to real-world agricultural challenges.
2. Showcase your university's expertise and commitment to driving positive change in the agricultural sector.
3. Network with like-minded individuals and institutions to foster future collaborations and partnerships.
4. Provide your students with a platform to apply their knowledge and skills to solve meaningful problems and make a tangible impact on society.
5. Win awards worth Rs. 7.50 lakhs

The projects will be evaluated by esteemed judges from academia, industry, and government and prizes will be awarded to the most innovative and impactful solutions. There is no registration fee for participation in AgriThon 2024.

I am confident that your kind cooperation in enabling participation of students and faculty of your university will enrich the diversity of perspectives and expertise represented at the AgriThon, thereby enhancing the quality and relevance of the solutions generated. I believe that your esteemed institution would greatly contribute to the success of this event. I sincerely request you to give the event a wide publicity and motivate your students to participate in large numbers.

The brochure is attached herewith for your kind perusal.

With regards

Yours sincerely

(B. N. Tripathi)
